The Jharkhand Higher Education Summit is being organized in March, 15, 2015 in the beautiful city of Ranchi. The one day forum will serve as a unique platform for sharing knowledge on various areas of education. The event will delve the issues related to the development of education in Jharkhand and rest of the country. It will provide an opportunity to showcase the state as one of the largest emerging destinations for Universities and Colleges to set up their strategic business units.

Education Leaders Conclave

Conference

The event will be a gathering place for academicians and professionals from Education and related fields from all over the world in three key thematic discussion sessions: school education, higher education, and skills and vocational education.

School Education

- Marching Towards Future Classrooms: Strengthening Skills of K12 Leadership for Building Visionary Schools
- Curriculum Module Training and Leadership for School Principals
- Steps for Effective Integration of ICTs in Education: Strategies for School Educators

Higher Education

- Shaping strategies to deal with the rising challenges and opportunities
- Issues related to assessment and accreditation
- Collaboration with Foreign Universities

Skill Development & Vocational Training

- Need for skills development, vocational training and information Literacy
- Certification and quality assurance
- Role of training centres in providing youth employability

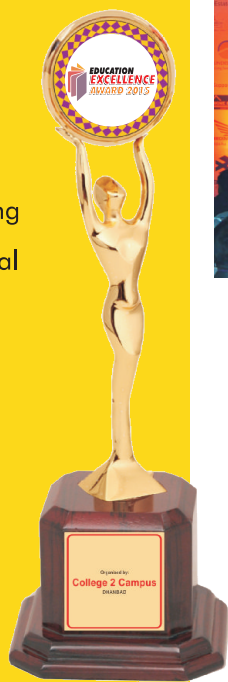

The Awards have been instituted with the aim of felicitating and acknowledge unique and innovative initiatives in the field of education.

RUSH YOUR NOMINATION TODAY!
